# PREVENTION

# Protect the time of your life

List of common events throughout a lifetime that can be prevented or minimized.

Not every event is completely preventable and avoidable. However, being proactive early can minimize if not prevent from happening in the first place.

Dr. Gerard Lalande, Chief Medical Officer at LUMA

### **HOW DO WE HELP WITH PREVENTION?**

Boutique medical assistance from experienced in-house doctors with over 25 years of experience, who are on hand to recommend and analyze appropriate check-ups and treatments. We are here to cover your tracks throughout your journey, every step of the way.

### ADVANTAGES OF BEING A LUMA MEMBER

### How do we protect your Prime?

#### SECOND MEDICAL OPINION

Simply put, a second medical opinion is when you consult two doctors over one specific illness or set of symptoms.

Situations where we recommend you to get in touch with our team to get a second opinion:

- When a diagnosis is ambiguous or when the results you got are simply unclear
- When the diagnosis is serious
- When the doctor is recommending a controversial treatment
- When the current treatment is ineffective
- You lack confidence in your current doctor

Our in-house team of international doctors with 25+ years of experience provides Second Medical Opinion with additional personalized medical referral services to guide you in the right direction.

#### EASY CLAIMS MANAGEMENT

Manage your claims at your fingertips. Submit your claims without any paperwork for outpatient claims under 10,000 THB.
